I am going to be helping Wells Swimming Club swim the equivalent distance of 180km from the 'City of Wells' to the 'City of London' on Sunday 25th February 2018 in order to raise funds for the club.

This is a Club challenge in which members will attempt to swim a combined total of 180Km in less than 12 hours. This is the same as swimming 7200 lengths of Wells Leisure Centre pool.
